April 20-21, 2023
- Shift Miami Developer Conference
May 23, 2023

LANGUAGES

English, Ukrainian, Russian

EXPERIENCE

React Native Developer, Team Lead | Acendi | Startup

JUNE 2023 - PRESENT, MIAMI, FL

- Developed and maintained cross-platform iOS/Android mobile applications using React Native, ensuring consistent user experiences.
- Collaborated closely with the product team to translate project requirements, wireframes, and design specifications into functional applications.
- Integrated Firebase backend services, including Firestore, Authentication, and Cloud Functions, for real-time data updates and user authentication.

Full-Stack Developer | Starhouse Tech | Startup

AUGUST 2021 - FEBRUARY 2023, MIAMI, FL

- Collaborated with the development team to design and develop interactive and dynamic web applications using React, HTML, CSS, and JavaScript.
- Translated design mockups and wireframes into functional user interfaces, ensuring a seamless and intuitive user experience.
- Integrated third-party APIs, such as payment gateways and social media platforms, to enhance application functionality.
- Collaborated closely with back-end developers to establish efficient communication and data exchange between front-end and back-end systems.

Sales Consultant | Mercedes Benz

MAY 2019 - MARCH 2021, MIAMI, FL

- Skilled in negotiations, I worked to meet customer budget and payment requirements while maximizing revenue.
- Coordinated with different departments to facilitate financing and additional product sales, and collaborated with cross-functional teams to deliver exceptional customer service
- Managed leads and inquiries through various channels, ensuring prompt follow-up and successful conversions.

EDUCATION

BrainStation | Diploma, Software Engineering

FEB 2023 - MAY 2023, MIAMI, FL

Chortkiv State Medical College | Associate Of Science

JUL 2013 - 2016, UKRAINE

QUALIFICATIONS

- Proficient in HTML, CSS, and JavaScript, with the ability to create and style web interfaces effectively.
- Deep understanding of React and other frameworks including Next.js and its ecosystem, enabling the development of robust front-end solutions.
- Proficient in TypeScript, leveraging strong typing for improved code quality and maintainability.
Proven experience in seamlessly integrating RESTful APIs and backend services, ensuring the smooth flow of data within applications.
